.....but also for the environment

PRICES START FROM AS LITTLE AS £150.

All our play equipment is low level (avoiding complicated Health & Safety issues), and can either be installed by our subcontractors or supplied in kit form with clear fixing instruction (including markings to show maximum ground depth, maximum age and capacity).

Metal components are stainless steel or galvanised; and netting, chains etc reflect our own high standards of workmanship and safety.

SAFETY SURFACES

We offer a range of safety surfaces including:

Wetpour - all weather, low maintenance, hard wearing.

Play Bark - low budget but requires an annual top up.

Rubber Matting — placed on to grass, to stop muddy patches but grass grows through the holes.

Play Carpet — can be created in a huge variety of designs.

Play Turf — maintenance free grass.

Also available:

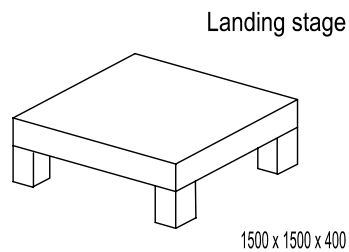

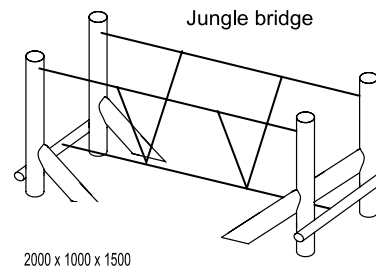

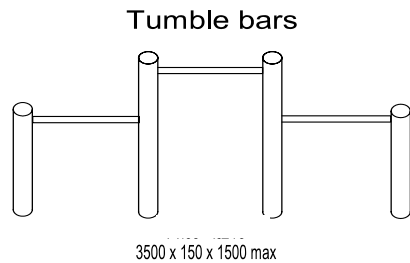

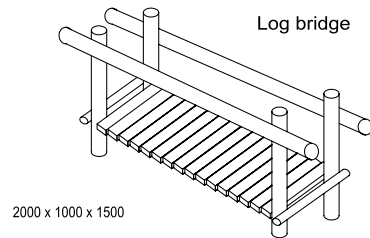

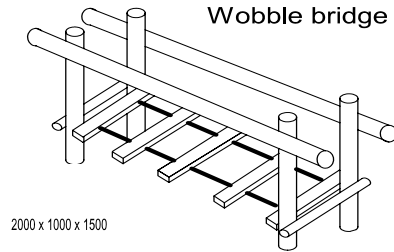

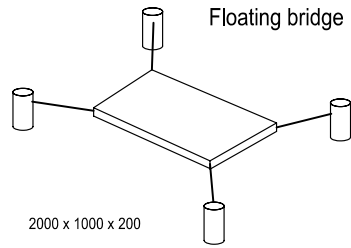

- Start and Finish Gates
- Trial Maps
- Benches
- Picnic Tables
- Fencing
- Planters

We can also supply:

Giant pencils

Magnetic Wall Games

Tyre accessories

Items can be bought separately (prices on request).
